Graduation Policy

Millbrook Band Council will pay a onetime amount of **\$300.00** to Millbrook students who are graduating from high school. This money may be used to purchase grad photos, yearbook, prom clothing, graduation rings or any other graduation costs.

Students will be responsible for all other costs related to graduation.

Students are required to pay their graduation fees to the school from these funds.

This is a one time payment, if a student receives this fee and does not graduate they will not be eligible again.

Payment will not be disbursed before May 1st of the graduation year and only if the school can confirm they are on the “expected to graduate list”.

Ratified on: December 1, 2003
