Attention: New Millbrook First Nation Members Under 19 Years of Age

For Millbrook First Nation members under the age of 19 years, the Millbrook Enterprise Credits are placed in a trust fund. When Millbrook members reach the age of 19, they must apply to Millbrook First Nation to have their Millbrook Enterprise Credit money released from the trust. The application form can be found at <https://www.millbrookband.com/s/Millbrook-Enterprise-Trust-Fund-Credit.pdf>

Please note that as of April 2020, Millbrook First Nation does not automatically receive all information on new registered members so that means that new members under the age of 19 years are not guaranteed to be added to the minor's trust list.

Please contact Priscilla Martin at priscillamartin@eastlink.ca with your name, date of birth and band number so that we can add you to the minor's trust list. Once you have been added to the minor's trust, no further applications are necessary until you reach 19 years of age.

If you are aware of any other new Millbrook First Nation members, please contact Millbrook First Nation.

Millbrook's 2020 Consolidated Financial Statements

Millbrook's 2020 Consolidated Financial Statements are now posted on the website. The 2021 statements will be completed and posted by the end of March 2022. If you have any questions or if you would be interested in attending a small group session with our auditor to walk you through the financials, that can be arranged. Please email executiveassistant@millbrookband.com if you are interested.

Seeking Historic/Archived Millbrook Photos

Millbrook First Nation is seeking for old photos to be showcased in Millbrook's buildings like the Community Hall, Administration Office, and Senior Centre. We are looking for old team photos, family photos or historic locations.

Please contact Nigel Gloade Communication's Officer at (902) 324-3379 or **e-mail:** communications@millbrookband.com

We Are Taking Names for Energy Efficiency NS Home Assessments Phase 5!

Millbrook First Nation is continuing its involvement in the Energy Efficiency program working to make Millbrook's homes more comfortable and energy efficient by keeping valuable heat inside.

Would you like your home assessed by Energy Efficiency NS in the Spring?

If so, please email Lorne Paul at lornepaul@eastlink.ca and please provide the following information in the email:

- 👉 Name
- 👉 Address
- 👉 Phone number and email address
- 👉 What is your current heat source?

Once we have these details, we will add your name to the list for the phase 5 assessments.

Heat Pump Cleaning

Please contact Eshaan at EcoLogic Heat Pump Solutions Ltd for a deep heat pump cleaning. Eshaan can be contacted by phone at 902-957-0661 to schedule an appointment, at no cost to the Millbrook First Nation home owner.

Home Insurance

Millbrook First Nation's insurance covers the structural costs of CMHC houses and band-owned homes on reserve. Please note that the contents inside the homes, including the appliances, are not insured by the First Nation. It is important to protect your belonging and one way to do that is to consider purchasing home insurance for the contents of your home. This became apparent after the recent flooding of basements that occurred in Millbrook's communities last month. If Millbrook members are interested in home contents insurance, they will be responsible and it will not be covered by the First Nation. Questions? Please reach out to Millbrook's housing department.

Millbrook's Security Services

Millbrook's security team is responsible for keeping Millbrook's community safe and secure. They work around the clock and are on call 24 hours a day. Their duties include patrolling the neighbourhoods of Millbrook and Cole Harbour because having a physical presence in the community is a deterrent for minor damage or other unsavoury activities. They are trained to identify unusual activity and pay attention to detail to reduce risks to the community. In addition, they observe and report suspicious activity that may be criminal.

If a community member is in danger or witnesses criminal activity, it is important that they call 911 or the local Millbrook or Cole Harbour, Sheet Harbour detachment of the RCMP. Please note that the security team cannot report incidents on your behalf.

*Millbrook First Nation Welcomes Chief Financial Officer
Ayo Makanjoula*

Ayo D. Makanjoula is currently the Chief Financial Officer of the Black Business Initiative in Halifax. He is also the Project Lead on the Supporting the Black Canadian Communities Initiative (SBCCI) a project aimed at capacity building for Black-led and Black serving not-for-profit organizations across Canada. The project, which is fully funded by the Federal government through Economic and Social Development Canada (ESDC) helps provide funds to organizations who are hoping to improve capacity by diversifying their sources of revenue, improvement in governance, operational effectiveness and efficiency, Digital adaptation and charitable readiness.

Ayo serves on the Board of the YMCA of Greater Halifax/Dartmouth as the Chair of Finance Committee, the Board of the CPA Nova Scotia, and the Treasurer of the Ecology Action Center. He is also a member of the Not-For-Profit Advisory Committee (NFPAC) of the Accounting Standard Board.

When not working, Ayo likes to play soccer.

Ayo's start date is March 28, 2022

Nova Scotia To Resume Confirmation PCR Testing for Positive Rapid Tests

Thursday, February 24, 2022 - 10:27AM

Nova Scotia continues to see a decline in new COVID-19 cases and therefore a lower number of PCR tests being performed. As a result, Nova Scotia Health's microbiology lab now has the capacity to resume confirmation PCR testing for those who test positive on a COVID-19 rapid antigen test.

If people test positive on a rapid antigen test, they can now choose to either isolate as a positive case or get a confirmation PCR test. If the confirmation PCR test is negative, they are not required to isolate and can resume normal activities (as long as they have no symptoms or once their symptoms are improving and they have no fever for at least 24 hours). If their confirmation PCR test is positive, they are required to isolate as per Public Health guidelines.

The added option to have a positive rapid test confirmed with a PCR test will reduce situations in which people are isolating when they don't need to.

Confirmation PCR COVID-19 testing was put on hold in December at the height of the Omicron surge due to the extremely high testing demands on the lab.

It is important to note this change will likely result in a higher number of reported cases, as case numbers are based on positive PCR tests, not rapid tests. This increase should be considered a more accurate picture of reported cases in Nova Scotia, rather than a reflection of a new surge of COVID-19 cases.

If you test positive on a COVID-19 rapid antigen test and want to have a confirmation PCR test, please complete the online assessment at <https://covid-self-assessment.novascotia.ca/en> or call 811.

Community Cannabis Update:

In the coming weeks, the consultation department will be launching the second round of community cannabis consultation. We will be seeking Community members interested in participating in a community-based committee, with the task of drafting Millbrook's cannabis regulations. A second round of targeted engagement sessions with Elders, Youth, Administration staff, dispensary owners, business owners and the community at large will take place in the Spring to help identify priorities for the committee to consider. If you haven't already checked out the cannabis report from the first round of engagement, it can be found on our website, under the Home/Consultation tab

(<https://www.millbrookband.com/consultation>).

MILLBROOK FISHERIES HAS HAD A BUSY WINTER!

🐟 **Michelle Gloade** has accepted a new position within Millbrook Fisheries as the new Fisheries Resource Coordinator. Some of her new duties will be to identify and support new and existing opportunities, promote the expansion of Millbrook Fisheries into land-based buying and processing sectors and provide logistical support to Millbrook Fisheries for new and existing programs and initiatives. She is very excited to take a new path in her long career with Millbrook Fisheries.

🐟 We have hired a new Administrative Assistant! **Dalas Tufts** has lots of experience in the fisheries business and will be a familiar name to a lot of our fishers. Dalas is looking very forward to starting her new position and can't wait to welcome you when you visit. Her role will be all things admin, from tags and licenses to maintaining office operations. Dalas can be reached at the Millbrook Fisheries office after March 1, 2022 at 902-897-0435.

🐟 The Sheet Harbour Lobster Pound construction is planned to commence at the end of March. The position for **Wharf & Facility Supervisor** has been posted so have a look if you find that interesting!

🐟 The **Livelihood Fishing** engagement continues, stay tuned for more community outreach.

🐟 Millbrook Fisheries has been approved for \$500,000.00 in funding over two years through the DFO **Whalesafe Gear Adoption Fund**. Whale mitigation measures will become mandatory by the end of 2023. Millbrook Fisheries is being proactive by sourcing new technologies in fishing gear through the fund in order to conduct sea trials, which will help determine which new gear type will work best for our operation. The new gear will help to reduce whale entanglements and ultimately, deaths, by using gear that is designed to be safer for large marine mammals. **We will soon be actively seeking a candidate to support this program on a temporary, full-time basis.** The North Atlantic Right Whale (NARW) is critically endangered, with less than 400 individuals remaining in the world. It is up to all of us to work collectively towards the recovery of these incredible mammals.

GARDENING BASICS

Ulnooweg Education Centre has partnered with Dalhousie University Faculty of Agriculture to bring you an online Gardening Basics Course

Winter is a great time to learn about everything you would like to do in the summer, like gardening. We are offering an online Gardening Course where you can join us and learn the basics about gardening (plus a little more) from the comfort of your home.

All you need is access to the internet. You can complete this using your tablet, home computer, laptop or even your smart phone. You may complete this at your own pace. There will be a weekly time slot set aside where we can all meet online and discuss anything about the modules and topics you are working on.

As you complete and pass each module and assessment, you will receive a certificate of completion from Ulnooweg and DalAC.

For more information please email:

Dawn Matheson greenhouse@ulnoowegeeducation.ca

Love to garden?

Wish you could grow your own food?

Not sure where to start?

Wish you could learn more in your spare time?
